### NEW LOOK!

Have you seen Hope CPC's new look? Thanks to Jim McPhee, we received a "face lift" recently. Jim painted the house to match the storage unit, so everything's a nice color of brown. Please swing by and see what we've done with the place lately. You're always welcome!

### WISH LIST

## HOPE MOBILE TAKES TO THE STREETS!

The Hope Mobile Van was begun by First Way in collaboration with The Crisis Pregnancy Center of Greater Phoenix and With Child. The van will be going to various abortion clinics in the Valley, park across the street, and offer free pregnancy tests and ultrasounds. The Director of First Way also went to Planned Parenthood and told them they would be coming and what they would be doing.

The van had its debut across the street from an abortion center on Pentecost Sunday, even though it wasn't quite ready to go. One ultrasound was done and one 16-week old baby was saved! A second van is being planned and will be traveling around the state offering services to rural communities that have no services and to rural abortion centers. They will be referring women to the Pregnancy Center closest to where they live for follow-up.

**...IS TAKIN' IT TO THE STREETS!**

**In this Valley, parked in front of the abortion mills...the 1<sup>st</sup> Way to a mother's heart is to see her baby's heartbeat. Ultrasound is the window to the womb. Help us take it to the streets. JOIN US TODAY!! CALL 602-261-7522 TO HELP.**

## RACHEL'S VINEYARD

Rachel's Vineyard weekends are a beautiful opportunity for any person who has struggled with the emotional or spiritual pain of abortion. The weekend is a very specific process designed to help you experience the mercy and compassion of God. It is also an opportunity to surface and release repressed feelings of anger, shame, guilt, and grief.

Each weekend is run by volunteers who care deeply about your needs. Many of the facilitators have suffered the same loss.

The weekend is a chance to get away from daily pressures to focus on the buried emotions of the past in light of present symptoms and begin healing through a supportive, trauma-sensitive process. Rachel's Vineyard provides a non-judgemental, safe environment. The weekend will help your soul find a voice, and transform the pain of the past into hope and love.

The next Rachel's Vineyard weekend in Flagstaff will be **October 16-18**. For more information, visit [www.rachelsvineyard.org](http://www.rachelsvineyard.org) or call 928-713-9504 or 1-877-HOPE 4 Me.

## UNDY 500: A Huge Success!

Family Life Radio (89.9 FM) recently sponsored the UNDY 500 to benefit area pregnancy resource centers. The purpose of the event was to recruit as many diaper donations as possible. Here in Flagstaff, El Charro Restaurant and Babies to Kids served as drop-off locations. Before the UNDY 500, we had no size 3 or larger diapers. After, our cupboards were stocked full! Thank you Family Life Radio, El Charro, Babies to Kids, and everyone who donated diapers during the UNDY 500 diaper drive!!

## CLIENT TESTIMONIAL

The Hope Crisis Pregnancy Center has been a great blessing to me in this time of need. The "Earn While You Learn Program" has given me the opportunity to gather a

wealth of knowledge about pregnancy and parenting, that I otherwise would not have known. At the age of 22, finding myself pregnant and clueless about my life to come, I found hope at Hope Crisis Pregnancy Center. With one-on-one counseling and helpful classes, I feel as if I am ready to see my baby face this treacherous world with me. In addition, while being in this program, I received maternity clothes and baby stuff at no charge. With all the points I have accrued through "Earn While You Learn," I will have almost everything my baby needs by Christmas Day, when my gift from God enters this world! I would like to thank the staff at Hope Crisis Pregnancy Center for making this all possible!

- Grateful Expectant Mother
